The Draft Environmental Impact Report (DEIR) for the Grading and Stormwater Ordinances is complete and available for public review and comment. The objectives of the ordinance revisions are to comply with State and Federal requirements associated with stormwater discharges, to reduce water quality impacts from construction site runoff, and to improve overall water quality. The proposed project is a Countywide ordinance amendment and is applicable to the County of San Luis Obispo, excluding the incorporated cities.

Copies of the Draft EIR are available at the following locations: the Cal Poly Library, City / County Library of San Luis Obispo, Cambria Library, South County Library, and the Paso Robles Library. Copies are also available on loan and for review at the Environmental Division of the Planning Department, located at the 976 Osos St., Room 200, San Luis Obispo, 93408-2040.
